BRISBANE SCHOOLGIRLS' ROWING ASSOCIATION

St Margaret's

Thank you

It takes a strong community to sustain a Rowing program in a school and perform in a competition as extensive as the Brisbane Schoolgirls' Rowing Association. Many families, individuals, businesses and staff are responsible for ensuring our program at St Aidan's is successful every year. The Rowing Support Group do amazing work to ensure the sustainability of the program, maintenance of boats and facilities and fundraising to help reduce costs.

We acknowledge the generosity of all of these people and businesses and thank them for their support to maintain and expand the opportunities for our girls.

30 years
St Aidan's Rowing
1989-2019

Rowing provides a unique and challenging sporting experience, which positively contributes to the development of confident and capable young women who can deliver outstanding leadership and exceptional teamwork skills.

St Aidan's Rowing commenced in 1989 at the inception of the Brisbane Schoolgirls' Rowing Association (BSRA) as a founding school. The following year, we raced in the Open Four event and came 3rd at the inaugural Head of the River in 1990, under the patronage of Don Boscher.

We won our first Head of the River, in the Four, in 1993. Over time, the program grew in strength and size, reaching as many as 150 students in rowing. Highlights over the 30 years include winning the Open 1st VIII for the first time in 2004 and the overall points score at the Head of the River for the first time in 2005.

Most recently, St Aidan's witnessed their first ever win in the Year 8 Single scull at Head of the River in 2018. St Aidan's Rowing remains one of the most historically successful programs in Queensland Rowing. Rowers enjoy a level of fun, teamwork and achievement rarely found in other sports and many St Aidan's Old Girls have gone on to great success in their sport.

Ms Toni Riordon

PRINCIPAL

On behalf of St Aidan's Anglican Girls' School and STARS, I welcome rowers and their families to our Regatta. We are delighted to celebrate 30 years of rowing at St Aidan's this year, along with the BSRA's 30 years of competition. The effortless glide of a racing shell over the water is a sight to be seen but it is a greater reward for rowers who experience the joy of feeling the boat move. Other great rewards of rowing include the experience of a high fitness level gained when rowing smoothly and powerfully is mastered, personal discipline and the camaraderie within crews and coaches.

I wish all crews and schools the very best for enjoyable competition today and for the season ahead.

Ashley Dighton

HEAD COACH

Maddy Hole

COORDINATOR

It is a real pleasure to welcome you all to the second regatta of the BSRA season. We are all privileged to be able to participate in rowing as we do; there are few places in the world with access to the unique intersection of quality in competition, facilities and equipment as there is in the BSRA.

We are continually humbled by the efforts of people in our community to sustain this situation. To organise a regatta is a monumental task, and we have been blessed with a hardworking parent group superbly capable of getting the job done, not to mention the weekly efforts of the boat race officials and Rowing Queensland.

30 years ago, St Aidan's was a part of the founding group that formalised schoolgirl rowing in Brisbane. Three decades later it is still a delight to race against this host of excellent rowing schools. We wish all competitors the very best of racing today and going forward.
