STUARTHOLME SCHOOL

BRISBANE GIRLS GRAMMAR SCHOOL

ACKNOWLEDGMENTS

It takes an enormous amount of community contribution to sustain and enable a Rowing program to exist and perform in a competition as extensive as the Brisbane Schoolgirls' Rowing Association. The following persons, families and business' have contributed enormously in recent times to the Stuartholme Rowing Program. We acknowledge their generosity and thank them for their support to maintain and expand the opportunities for our Stuartholme girls.

WELCOME TO THE 2021 STUARTHOLME & BRISBANE GIRLS GRAMMAR REGATTA

Kristen Sharpe

Principal, Stuartholme

Welcome to Regatta 3 of the 2021 BSRA season, hosted by Stuartholme School and Brisbane Girls' Grammar School.

We congratulate all students from BSRA schools for their dedication and resilience shown throughout 2020 and we are very excited to be able to welcome everyone, especially our spectators to the 2021 season.

We are extremely appreciative for our parents and supporters, for your commitment and spirit to work in partnership with us to ensure the best possible program and opportunity for participation for the girls. We wholeheartedly acknowledge and commend our rowing staff, directors, coordinators, coaches, boat people and more. Your enthusiasm and hard work enables all of us to come together and share our passion for Rowing.

We also wish to extend our thanks to Rowing Queensland for their ongoing support.

We look forward to a wonderful day of rowing and we wish all crews the best of luck.

Emma McCarthy

Rowing Director, Stuartholme School

Welcome to the Stuartholme School & Brisbane Girls Grammar School Regatta.

We are grateful to the support of Darcy Wruck and the BGGGS Parent Support Group for graciously allowing us to host in 2021 following years of bad luck for both schools.

Our regatta is always a highlight in our season, allowing our girls to excel and our parents and supporters to shine. They give hours of time in supporting our girls – preparing breakfast, baking, driving, towing, fundraising and organising various events and celebrations. The boatshed is our second home and its our beautiful parents who give it the homely feel.

It's been great to get back to Wyaralong and share the love of rowing with our entire community. Congratulations to all competitors and coaches for your toughness, adaptability and resilience over the last twelve months. I can't wait to see you all race today and encourage you to enjoy it and display great sportsmanship and gratitude for our coaches, officials and administrators that allow it all to happen. You are creating incredible memories that will last a lifetime.

Good luck to all the Stuartholme rowers! Go for Gold!

Ms Jacinda Euler

Principal, Brisbane Girls Grammar School

It is my pleasure to join with the Principal of Stuartholme School to welcome you to our Regatta today. We wish you all the best for a great day of spirited competition on the water.

For each girl to row their best they must bring great discipline and dedication to their training, and team spirit and encouragement to their crew. I hope that the friendships developed, and experiences shared, will carry all of our girls through a challenging, and ultimately, rewarding 2021 Rowing season.

Girls Grammar has more than 130 girls competing, and they are supported by their coaches, School staff, families, and a very dedicated Rowing Support Group. I thank all of these members of our BGGs community for their loyalty and practical assistance, working so hard as they do to support the girls and today's Regatta.

I acknowledge all of our BSRA Rowers who share a passion for a sport that is as rewarding as it is demanding. Early training sessions on cold winter mornings will certainly test the stamina and commitment of any individual, and you should be proud of your dedication and effort.

I wish you all a wonderful 2021 season and a great Stuartholme School—Brisbane Girls Grammar School Regatta today.

Good luck and enjoy

Mr Darcy Wruck Rowing Coordinator, Brisbane Girls Grammar School

On behalf of the Brisbane Girls Grammar School Rowing community, I warmly welcome guests, parents, friends and competitors to today's regatta. It is my hope that racing today will be another spectacular display of fair and vigorous competition.

A special thank you must go to the BGGs Rowing Support Group for their continued assistance of the rowing program. I would also like to thank the communities of the ten participating Schools for the effort they have all put in to get to this stage of the season. I trust everyone is excited for the final few weeks of racing in what has been an exciting season already. Thanks must also go to The Brisbane Schoolgirls' Rowing Association for another year of organised, competitive, and spirited regattas.

I wish for all competing today to experience rowing in its truest form. To race doggedly, congratulate one another at the finish line, and support one another on the bank. May today be another fun and rewarding experience in your rowing journey.

Please take the opportunity today to support the rowing community by grabbing a coffee, visiting the food tent, and browsing the merchandise stand.

Enjoy the day

WELCOME FROM STUART HOLME CAPTAIN OF BOATS - ZAVIER HORDER

Legacy is defined as something that is a part of your history. Ever since year 8 being at the sheds or in the gym we are surrounded pieces of the past that frame and deepen the vibrant picture that is Stuartholme rowing. As junior rowers we were allocated boat knowing it carried so many Stu girls before us filled me with pride and determination. Now as the seniors of 2021 alongside next year's leaders, we find ourselves in the VII. Two eights which we know was rowed by girls who we once admired and inspired us. They toiled and sweated, just like we do in our season. They inspired those after them, who in turn have supported our voyage toward the final push to the line. We wonder if we are enough to carry and pass on this continuum of crew, shed and school spirit.

This is what gives worth and meaning to the name; Stuartholme rowing. It is the legacy of our alumni and their dedicated community. It is the efforts of our rowers and coxes and also our coaches. The coaches that have pushed us harder than we wanted, to bring us closer and join the fight for head of river to be at our technical and physical best. They support our journey, sharing their passion for the sport where memories, friendships and challenges are waiting to be declared then overcome. And above all, is our crewmates. Who at the hardest moments are there with you in your most painful moments. You won't stop because they won't stop. That's our legacy – we are always stronger together.

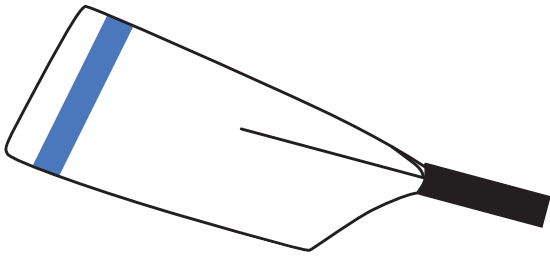

While the focus of our endeavours is most obviously on the girls and the coaches and the racing none of it is possible without our amazing director Emma McCarthy. She is the head and heart of our community. Directing parental effort, guiding the girls and setting the standards for coaches to aspire. She works around the clock to ensure boats are ready, we've all got the right equipment and we have the best coaches to get us through. Emma forever has answers to problems and plans to get even the choppiest of weeks through to the end. Emma is friendly face and leader and we thank her unreservedly for her efforts – she is our 'glue' as they say.

My cohort of senior rowers will leave our mark on the Stuartholme rowing legacy as new fresh faces begin and continue to build theirs. The early morning exhaustion, sweat, crew dramas, constant leg pain and burning lungs will fade away and we'll be left the memories and friendships which form the beating heart of rowing at Stuartholme. The memory of strong, determined girls who rose to the challenge day after day, learning to push our limits for our friends, our coaches, the legacy we make and ourselves, knowing we are a part of a shed, bigger than any one girl. It has been a privilege being the captain this year. I have watched the bond within our shed continue to grow stronger and to be a part of a formidable squad filled with wonderful hopeful young women leaving their mark in our shed full of rich history.

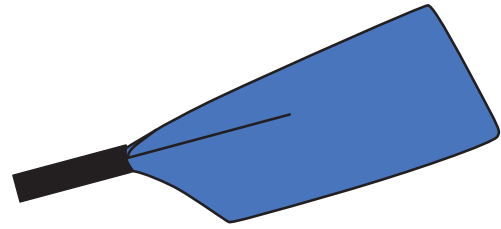

Thank you all for showing unwavering determination and support. Let's bring this season home with all the power and passion in us!!
