## Welcome

It is a pleasure to welcome all schools back to Wyaralong Dam for the first Regatta of 2022. I am sure all crews, coaches, and their supporters, are looking forward to a great day of rowing and strong competition.

Every year the lead up to the season generates great enthusiasm and excitement. As crews are announced and training intensifies, teamwork is developed.

The thrill of competition is now to be played out.

I am delighted by the spirit and generous goodwill I observe in rowing communities. The enormous support of families, and the connection between coaches and crew members, is always a highlight of each season. Rowing truly relies on a whole team working together. Best wishes to all involved in today's regatta – I hope you will take away some wonderful memories.

# St Hilda's School Director of Rowing Welcome

St Hilda's School welcomes all competitors and supporters to Lake Wyaralong. Despite the many challenges through Covid over the last couple of seasons, we are excited to see strong crews from all BSRA schools. The competition will be tight for the top spots. We wish to sincerely thank and acknowledge all officials, volunteers and supporters that do so much work behind the scenes, to enable the crews and coaches of all schools to participate so passionately in what is an outstanding sport for the development of our young women.

St Hilda's School has an extensive history, since it began rowing in 1915, our program has steadily grown in numbers to where we are today. Rowing has a proud tradition throughout the BSRA and I look forward to some great racing over the next six weeks.

We are very proud to host this regatta and we have gone to great lengths to ensure today is a success on and off the water for all involved. As host and on behalf of the St Hilda's rowing community, we wish all schools, crews, coaches and supporters a safe and successful day of travel and racing at Wyaralong Dam and for the remainder of the 2022 season.

Mr Ross Lindstrom  
St Hilda's Director of Rowing

# St Hilda's School Rowing Captains' Welcome

Hi, my name is Emma Chandler and I am one of the St Hilda's rowing captains for 2022. I have been a boarder at St Hilda's since Year 6 and have been rowing since Year 8. I live at Barcaldine, Qld, and grew up on a property consisting of sheep, cattle, goats and horses. Rowing has always been a very big passion of mine, where I've formed many friendships and memories that could last a lifetime. Rowing has been a tradition in my family from my grandfather, to dad, my uncle, to siblings, and cousins, this is what really drove me to try rowing back in Year 8.

Over the years there have definitely been many highs and lows, but rowing is like no other sport I've ever played because of the trust that you have to put in your crew, the determination of training hard even when it hurts and the resilience of bouncing back after a setback. I am sad that rowing is almost coming to an end for me because it definitely has felt like a second family to me because of the constant support of everyone in the community.

Hi, my name is Eliza Mactaggart and I, along with Emma Chandler, are the St Hilda's rowing captains for 2022. I live on a cattle property just north of a small town in Central Queensland, called Duaringa. Although I have only been at St Hilda's from the start of 2021, I began rowing in Year 7 at the Rockhampton Grammar School. While I was at Rocky Grammar, coming to Wyaralong to race was such a big deal for me. I distinctly remember sitting at the starting line with butterflies in my tummy, as a St Hilda's crew rowed past. Now, 3 years later, those girls are right here with me, and I will forever cherish these friendships that I've made through the sport.

We are both very excited to be hosting this weekend's regatta and hope you all have an amazing racing season!
