JACINDA EULER | CHAIR, BRISBANE SCHOOLGIRLS' ROWING ASSOCIATION

WELCOME

Head of the River is the greatest test for all of our Rowing crews and the culmination of the BSRA Rowing Season. It marks the peak of many months of training and is not only physically gruelling but mentally demanding—a testament to the stamina and commitment of our Rowers.

Rowing provides both moments of glory and defeat, with all uniting in a tight crew. For each to row their best, our Rowers must bring great discipline and dedication to their training, and encouragement to their crew. But of course, a lot of hard work happens outside of the boat. I acknowledge the coaches, coordinators, and parents who have supported our Rowers—from getting the girls to training, ensuring they are prepared for racing, and committing to early rises, often on very cold mornings, it truly is a community effort.

Schoolgirl Rowing in Brisbane has existed in one form or another for almost a century, but until the 1980s this was largely recreational. On 13 October 1990, the Inaugural Schoolgirls' Head

of the River was held on the Milton reach of the Brisbane River. More than three decades later, Rowers representing nine schools will compete at the Brisbane Schoolgirls' Rowing Association's most significant event—the Head of the River.

There will no doubt be plenty of emotions amongst the Rowers today as they compete in the final event of the season—from disappointment to triumph. However, no matter the outcome, competitors should be proud of their efforts and hard work. You are each here as you share a passion and love of a sport that is as challenging as it is rewarding. Know that you have the full support of the enormous and passionate rowing community and your Schools.

I hope that the friendships developed, and experiences shared, will carry all of our Rowers through an enjoyable 2022 Head of the River.

Good luck, and fair racing.

Ms Jacinda Euler
Chair, Brisbane Schoolgirls' Rowing Association

TIM KOTZUR | HEAD OF COLLEGE, ST PETERS LUTHERAN COLLEGE

A THANKS TO THE PARENT SUPPORT GROUP

As the culminating event on the BSRA Calendar the Head of the River is always eagerly anticipated and hotly contested. It is a day where months of training and preparation across the nine BSRA schools all come together for a day of spirited racing. This year the schools have had to deal with the aftermath of the floods in term 1, and it is a testament to the resilience, grit and ingenuity of the rowers and their coaches for the way they have faced this adversity.

Rowing is a sport that requires enormous commitment, so I commend rowers across all schools for the important role modelling they provide the rest of our communities in terms of what it takes to achieve success.

Thank you to the BSRA Executive Officer, Rowing Queensland Officials, and all the respective BSRA Rowing programs Parent Support groups for your hard work in helping to make the 2022 Season possible.

I wish everyone a wonderful day of competition. Row hard!

Tim Kotzur
Head of St Peters Lutheran College

A COMPETITION 111 YEARS IN THE MAKING

Pictured from left: St Margaret's School photo 1907 (Photo courtesy of St Margaret's School); Goyte Lea Ladies Rowing Club at their picnic regatta circa 1911 (Photo courtesy of St Hilda's School).

The athletes of the Brisbane Schoolgirls Rowing Association continue a spirit of sporting competition that began 111 years ago on the Brisbane River.

Both the Church of England High School (later St Margaret's) and Goyte Lea (later St Hilda's) began rowing in 1907. The St Margaret's girls used a boathouse near the Breakfast Creek Bridge and used hired pairs to row to Albion and back. A school photo from 1907 (above left) shows them posing with various items of sporting equipment, including four oars.

The school magazine in 1910 states that their "School Want Number 2" was a boat of their own, so that there would be "...no more uneven oars, no more catching crabs, simply from this very cause..."

At Southport, Miss Davenport's Goyte Lea School for Girls also commenced rowing in 1907, and by 1910 the girls were competing in the Southport Regatta, organised by The Southport School. There is even a photo of the girls on the river in coxed doubles at this time.

In May 1911 the two schools met on the water for the first time at the Brisbane Ladies Rowing Club regatta. In the first heat of the Interclub Double Sculls, Miss Scott and Miss Stevens of the Church of England High School beat Miss K. Forrest and Miss K. Dowling of Goyte Lea, although both crews were beaten by a B.L.R.C. pair. Another C.E.H.S. crew of Miss B. McConnell and Miss I Robertson made the final, placing third. This represents the first known rowing match between two girls' schools anywhere in the world.

Other races followed, with the competition between the schools being unaffected by the First World War. Many of their old girls would become leading figures in women's rowing in Queensland.

111 years later, nine member schools: All Hallows', Brisbane Girls Grammar, Brisbane State High School, Lourdes Hill, Somerville House, St Hilda's, St Peters Lutheran College, St Margaret's and Stuartholme, are competing for the 2022 Head of the River, and their own place in rowing history.

THANK YOU...

Thank you to the BSRA for working tirelessly to ensure that the 2022 regattas and Head of the River could proceed.

Thank you to all the Sponsors, Supporters and generous families that provided the hospitality today.

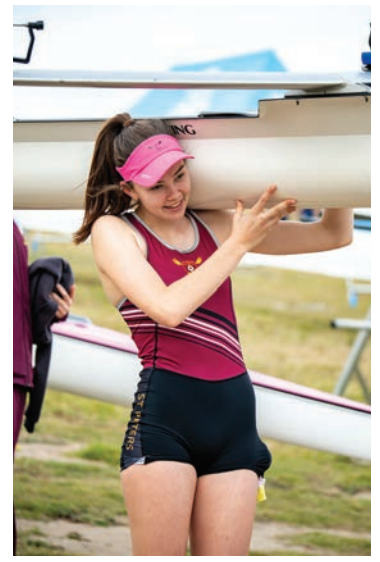

Thank you to our Coaches and Coordinators for their commitment and encouragement to improve our abilities and stay motivated throughout the season.

Not to mention our parents' commitment to our chosen sport with all those early morning drop-offs. We are so grateful!

The BSRA pays enormous tribute to the Boat Race Officials (BROs) that ensure the highest standard of safety and officiating at our regattas.

These wonderful individuals work on a volunteer basis and are incredibly invested in ensuring that our emerging rowers graduate with confidence and competence to conduct themselves beyond the BSRA.

Thank you to you all.
