## WELCOME

What an honour it is to be here today and welcome you all to the third regatta of the BSRA season. There has been much hard work and dedication that has gone into preparing for this event, and I am truly impressed by each and every one of you!

As the sun rises over the water the sound of oars begins to fill the air, I can feel the excitement and anticipation building. There is something truly special about this moment – a feeling of camaraderie and shared purpose that I know will only grow stronger as the day goes on.

To all the rowers out there – you are the heart and soul of this event. You have trained tirelessly, pushing yourselves to the limit in pursuit of excellence. You have faced challenges and setbacks, but you never gave up. You have shown us what it means to be truly dedicated to a goal, and I am in awe of your strength and determination.

But this event is not just about the rowers – it's about the coaches, the parents, the friends, and the community that supports them. To all of you,

I want to say thank you for your tireless efforts and belief in these young athletes.

As we gather here today, I want to remind us all of the importance of this event. Yes, it is a competition – but it is also a celebration of the human spirit. It is a chance to come together as a community and to recognise the achievements of these young women. It is a chance to inspire and be inspired, to push ourselves ever higher, and to never give up on our dreams.

I wish you all the best of luck in the competition today. Let's make this a day to remember!

## Information

The BSRA is excited to welcome you to the regatta season on the dam

### Lead up regattas

Go to the BSRA [website](#) for calendar, race schedules, pre-pay parking link, program, race draw, race results, competitor info and spectator info as well as maps and directions.

- The provisional [regatta schedule is here](#).
- Parking each week is \$5 on the website
- Live results are also accessed through the BSRA website or Rowing Queensland

No traffic on the Ring Road except service providers and host school catering

The spectator shuttle service is run by the BSRA and operates as soon as the relevant car park is opened. You can get a shuttle to/from your car park to/from the Ring Road consistently at peak times and every 15 minutes in the down times. The shuttle runs for 30 minutes after the last race (approx. 1:20pm). The buses used for the spectator shuttle are also the transport home for the competitors. We cannot hold them up.

### Head of the River

Please be advised that parking and traffic management generally, is a tricky logistic at Wyaralong. The BSRA member schools all arrange supporter buses for this event, and you are encouraged to book a seat for you, your family, friends, interested parties. This way you will get to enjoy the day without the headache of sitting in a traffic jam. Please look out for this detail in your school communications.

This weekend, book your parking pass early and leave heaps of time. Don't forget to bring a camp chair and ENJOY sharing the day with your community and witnessing the wonderful spectacle and energy the rowers provide.
