BSRA Chair's Message

The BSRA welcomes you to the 34th Head of the River.

We are looking forward to an outstanding day of competition, camaraderie and sportsmanship.

Perhaps today's racing will see achievements that form part of the great history of rowing in the BSRA competition. Perhaps crews will break their own personal bests. What is certain is that the great dedication of parents, coaches and teachers will continue the proud tradition of supporting our rowers to do their best.

Each time we row, we understand the hours of preparation that have gone into training as well as the extensive support provided to our students. We know that our students are aiming to do their best and to build on their previous performance. We know they are looking to go one better each time and we applaud this commitment to improvement.

Thank you to the many supporters who make these events possible for our girls. Your efforts ensure that these rowers experience the magic of this sport.

I would like to extend best wishes to all teams competing today and to our wonderful community of supporters. Have a great day!

Wade Haynes
Executive Principal
Brisbane State High School

A Thank You to the Rowing Parent Support Group

Rowing has a long and proud tradition at St Margaret's, and we are honoured to host the 2023 BSRA Head of the River. Today's event represents the culmination of the season for over 970 girls from nine different schools, and we wish every one of them the best.

Each school community knows the effort involved in hosting regattas, and it is only right to acknowledge the enormous contribution each school's volunteers make each week.

I would like to extend a special thank you to the St Margaret's Rowing Support Group that is hosting the event on behalf of St Margaret's today. We are blessed to have a community that grows alongside our rowers and provides invaluable assistance not just today but every day of the season. Their efforts this year have been enormous, and I thank the diverse range of parents from each and every rowing year level who have given their time in recent months as well as today.

Rowing asks much of the girls, their families, and the coaches. Today is a celebration of what has been achieved in 2023 at each and every school and by each and every girl.

Thank you to the BSRA Executive Officer, Rowing Queensland Officials, and all the respective BSRA Rowing programs' Parent Support Groups for your work in 2023.

Good luck to all our rowers.

Ros Curtis

Principal

St Margaret's Anglican Girls School

Olympics

The BSRA has been the proud nursery for many Australian representative rowers. You may be aware that this is the venue for the Brisbane Olympic 2032 regatta. What you are witnessing today are the potential athletes for the future Games.

Currently the amenity is rudimentary, and there are issues in racing that need to be overcome to ensure transparent and fair racing in our competition. The body of water is fantastic for rowers but the unheld starts, the irregular buoy line, the internet, the bushland that inhibits viewing, the SEQ water restrictions, and the over-concentration of cars and people on one access road is all needing improvement.

This regatta is a highlight for the nine member schools but is in fact an incredible event that could also feature on the tourist calendar for the Scenic Rim. The BSRA hopes that the future development for the Games will have the vision to promote the participation beyond the eyeballs of the nine member schools. This will ensure the growth, relevance and prosperity of our sport.

The Olympic upgrade is illustrated [here](#).

Live stream

Live stream of the regatta is on the BSRA website for the Head of the River and also on the screens erected on the day. We hope you enjoy the racing and the rolling presentations of our rowers.

THANK YOU

Thank you to the BSRA for working tirelessly to ensure that the 2023 regattas and Head of the River could proceed.

Thank you to all the sponsors, supporters and generous families who provided the hospitality today.

Thank you to our coaches and coordinators for their commitment and encouragement to improve our abilities and stay motivated throughout the season, not to mention our parents' commitment to our chosen sport with all those early morning drop-offs. We are so grateful!

The BSRA pays enormous tribute to the Boat Race Officials (BROs) who ensure the highest standards of safety and officiating at our regattas.

These wonderful individuals work on a volunteer basis and are incredibly invested in ensuring that our emerging rowers graduate with confidence and competence to conduct themselves beyond the BSRA.

Thank you to you all.
