## Message from THE PRINCIPAL

---

My heartfelt thanks and gratitude is extended to our wonderful community of staff, coaches, volunteers, parents and other family members across all schools, who willingly give up their time to support their children's commitment and dedication to rowing.

I wish you all a memorable second regatta of the 2023 BSRA rowing season.

### *Welcome to a great regatta!*

From 2-6 August, the 2023 World Rowing Under 19 Championships is being held at Vaires-sur-Marne, 35 kilometres from the centre of Paris and the venue for the 2024 Paris Olympic and Paralympic Games. I wish all BSRA alumnae competitors well at this event, including Somerville House Old Girls, Minaya Bishop and Eliza Bridgefoot as they compete in the Women's Four and Women's Double Scull, respectively. Both Minaya and Eliza rowed in the BSRA Regatta Series last year and are now competing on the world stage.

As you enjoy the sumptuous fare offered at "Street Eats", I encourage you to join with me to thank the Somerville House Rowing Support Group for their hard work in bringing together this wonderful offering, for all to enjoy.

## Message from **SOMERVILLE HOUSE DIRECTOR OF ROWING**

---

I extend a heartfelt welcome to all of you to Regatta 2 of this exciting season. It is with immense pleasure that we gather here today to celebrate the dedication and passion of our rowers, and to witness the incredible feats they have achieved through their hard work and determination.

Rowing is a tough and demanding sport, requiring not only physical strength but also mental resilience. We applaud each and every one of our rowers for taking up this challenge and embracing the opportunities that rowing has presented to them. Your commitment to the sport has been unwavering, and your perseverance in the face of challenges is truly inspiring.

Today, as you boat to race, remember that you are not just athletes; you are ambassadors of the sport and representatives of your schools. Your spirit of sportsmanship and camaraderie will shine through as you compete, demonstrating the values of teamwork and respect that are integral to rowing. Celebrate every stroke you take and every moment you spend on the water, for these are the building blocks of your achievements

To the parents and families who have supported our young rowers throughout their journey, we extend our gratitude.

Your encouragement and belief in their abilities have been instrumental in their growth and success.

Finally, I would like to express my gratitude to the coaches, volunteers, and organisers who have worked tirelessly to make this event possible. Your dedication to the sport and to the development of our young rowers is commendable, and we are deeply grateful for your contributions.

## Message from **SOMERVILLE HOUSE ROWING CAPTAINS**

---

Every rower has been asked 'why do you row?'. Our days are massive, we have already trained by the time most people are only starting to wake up for their 9.00am to 5.00pm. We train again when most are finishing their day, and we have had a whole day of school in between. We row for our crew mates in front and behind us who are backing up our every move, we row in pursuit of the perfect catch, we row because crossing the line knowing you did everything you possibly could in that race is a feeling of satisfaction and gratification that you can't get from anything else. Last but not least we row because we have a support system like no other, everywhere we look, making it as easy and as smooth as possible.

When you get to your final years of rowing you start to notice more and more the

number of hours that have gone into rowing outside of the boat - setting up and preparing for not only regatta days but pre-season, trainings and end of season. From BRO talks in Term 1 and Term 2 at every school to parents practicing setting up the new competitor tent so they can ensure it is ready for the rowers. We would like to say a massive thank you to everyone who has contributed to getting us out on the water and supporting us today, your efforts have not gone unnoticed! You make this weird and wonderful sport so much easier to do.

Good luck to all the rowers today, and when the 'hurtiness' hits you in the last ¼ of your race, embrace it and remember why rowers row!

Message from  
**SOMERVILLE HOUSE  
ROWING SUPPORT GROUP PRESIDENT**

Rowing is undoubtedly the ultimate team sport. What is less well known, outside the readers of this program, is the incredible impact the rowing ethos has off the water, particularly to the congregations of those that love and support the athlete that actually ends up swinging the oar.

In the case of the Somerville Rowing Support Group teamwork shows up in an incredibly diverse way, at all hours of the day and that is what I would like to celebrate. Some of them are fascinated by identifying trailer bearing numbers and then dashing off to their favourite bearing supplier to revive a boat trailer (and a Rowing Director). Others find solace in the pages of a Bid Food catalogue or new-tent-instructions, or menu design or cake decorating, or magnificent month-end reconciliations and minutes, or incredibly thoughtful home-baking recipes that take out all of the ingredients that could make someone sick, uncomfortable, or even worse, and replace them with genuine heart.

The reward is, in my experience at least, is an almost imperceptible glance, cast without head movement, bank-wards. Buried under a visor, shielded by a set of cool sunnies, as the boat glides from finish line to boat rack.

I'm not going to try and name names, you are living versions of Honour before Honours and keep the girls in green first on the water, thank you. Humbling to be a part of.
