HEAD of the RIVER

2011

\$4

Kawana 27th AUGUST 2011

Welcome from the BSRA

From the Chair of Brisbane Schoolgirls Rowing Association

The 2011 Head of the River has arrived and I warmly welcome all rowers, supporters and officials to what I am sure will be another successful day of intense but friendly competition, where each crew and school will give their very best to achieve the goals set for the season.

The lead-up regattas have inevitably been a mixture of fun and dedicated work from many. There has been a chance in earlier regattas to try new experiences, develop skills and make many friends. Those of us who have watched rowing for many years know that this is the way each year progresses and it is why we love the sport. For those who have chosen rowing as a sport they will have recognized that through rowing they have grown as individuals, developed character, perseverance and emotional control. Rowing can be a tough sport but it rewards those who are sincere and who are willing to commit to a team. In turn they find reward that outlasts the event, the day or indeed the season. Rowing is one of the great world sports and all should be proud of continuing this wonderful tradition.

Thank you to the Rowing Coordinators, coaches and parents of each school for your organization and input especially at the regatta hosted by your own school and also to the school Principals for the sharing of wisdom and the practical support necessary to ensure the annual Brisbane Schoolgirls Rowing Association Program unfolds as it should.

On behalf of the BSRA thank you to Mr. Cliff Slawson, the Executive Officer of BSRA. Cliff is a longtime supporter of BSRA since his days as a rowing parent. His overall management and support have been invaluable in the organization of regattas throughout the season and in the months preceding competition. Thank you also to Rowing Queensland for their official support of our annual rowing season.

I wish all rowers every success and am confident that each girl will give of her best. I hope that you have a wonderful day and can look back on the 2011 season with happy memories and perhaps determination for the 2012 season!

Finally, thank you to all school families for your time and energy to support your daughters and granddaughters and for your encouragement and commitment to your school and the support of rowing. I wish you a wonderful day.

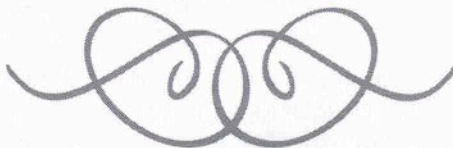

I hope all rowers enjoy the day and all supporters feel pride in contributing to this spectacular event.

Best wishes to all

Peter Crawley

A guide to rowing

1x Single Scull: The smallest boat used. Rowed by one sculler using 2 oars (sometimes called sculls).

4x Quadruple (Quad) Scull: Four scullers each using 2 oars. In schoolgirl competition, this boat is coxed but at club and elite level is coxless.

4+ Coxed Four: Four rowers each using one oar. In school rowing this boat is always coxed. Sometimes Four abbreviated using Roman numerals as 'IV'.

8+ Coxed Eight: Eight rowers each using one oar. Traditionally the 'Blue Ribbon' event of rowing. Sometimes abbreviated using Roman numerals as 'VIII'.

What to look for in a good crew:

Continuous motion. Rowing should be a continuous and fluid motion.

Synchronisation. Rowers strive for perfect timing in all actions.

Clean blade work. Blades going in and out of the water should throw up as little water as possible. The spoon will be close to the water between strokes.

Easy looking movement. Good rowers will not look like they are working hard when they are racing.

Race distances:

In Brisbane schoolgirl competition, distances raced are:

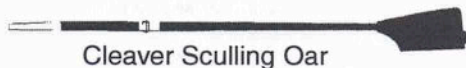

Eights – 2000m

Fours, Quads and Singles – 1000m

In still weather conditions, Schoolgirl Eights will cover the distance in sub-seven minutes. Age group Single sculls, Fours and Quads will vary between about 3 minutes and 30 seconds to about 4 minutes and 30 seconds for the 1000m distance.

Oars

Oars currently in use are a fibre-glass carbon fibre construction. They are either symmetrical or asymmetrical shape. Sculling oars are shorter and have a smaller 'spoon' area.
