BRISBANE SCHOOLGIRLS'
ROWING ASSOCIATION

HEAD OF THE RIVER REGATTA

Kawana Waters
Saturday 29 August 2015

From the Chair of the Brisbane Schoolgirls Rowing Association

The Head of the River Regatta is one of the most exciting events in the calendar of a BSRA rowing school, and for all rowers, a very significant milestone in their school year.

In 2015, we have welcomed Ms Rachael Kininmonth to the role as Executive Officer of BSRA. She has done a remarkable job of organising the season in this complex sport. This regatta season has seen some close racing leading up to our final event, and I know that we all look forward to an exceptional Head of the River Regatta to finish the BSRA season.

On behalf of the Association and member schools, I pass on our appreciation to the families, staff and supporters who enable our girls to participate in rowing. Without the commitment and encouragement of all the adults associated with this sport, the girls would not be able to row and experience the personal growth which comes from early morning training, pushing beyond tiredness, working together with other crew members, and coping with the physicality of the sport, including carrying and cleaning boats.

School Rowing Coordinators should also be thanked for their passion, encouragement and commitment to the students. Their focus on imparting their knowledge of Rowing and their commitment to regatta organisation are integral to the success of the BSRA. Additionally, I pass on thanks to Rowing Queensland for their assistance and support of BSRA activities.

I wish all rowers every success and hope for all competitors that they come away from each race certain that they had given their very best for their crew, their school and the strength of the competition.

Best wishes to all

Adrian Wiles

Brisbane Schoolgirls Rowing Association 2015 Regatta Season

In 2015, the BSRA continued to encourage and promote participation in the sport of rowing. This year has been noteworthy as we have presented to you a slightly different format of racing for girls in the junior category. The program was aimed at lifting participation by increasing the number of races in comparison to previous years and past formats. Each of the junior crews have had the opportunity to race twice each week in a format similar to the senior crews.

We hope that you enjoyed the racing in this trial program. We will review the Association's programs at the end of this season.

Good and fair racing to all our girls.

The BSRA Board

From the Executive Officer

It has been a wonderful opportunity to join the progressive energy of the 10 member schools that make up the Brisbane Schoolgirls' Rowing Association in 2015.

This year a new racing format was trailed. The feedback received to date has been overwhelmingly positive. In particular coaches, competitors and parents are thrilled with the fact that the opportunity to race has doubled and with the introduction of a Final, it is at an elevated level. As the Executive Officer of the BSRA I will endeavor to bring new innovations to this great sport and to the BSRA in future. Have fun and have a great Regatta.
