WELCOME

Welcome to the 2018 Head of the River, the premier event in the BSRA calendar.

We congratulate all students from our ten BSRA rowing schools for their passion, dedication and determination in what has been another outstanding rowing season. We commend our students for supporting and motivating their teammates, for always performing gracefully under pressure, and, for the older students, for getting out of bed and making it to each of those early morning training sessions.

On behalf of the Association and member schools, we thank all those who have contributed to their school's rowing program for 2018. Our special thanks go to our families, staff and supporters who enable our rowers to participate in this most demanding sport, and encourage them in doing their very best.

Importantly, we acknowledge our School Rowing Coordinators and our coaches for their considerable work for this regatta and throughout the entire 2018 rowing season. We also extend our thanks to Rowing Queensland for their assistance and support of the BSRA program.

We look forward to a wonderful day of racing and wish every crew all the very best for today's competition.

Mrs Catherine O'Kane
Chair
Brisbane Schoolgirls' Rowing Association
Principal
All Hallows' School

It is a pleasure to welcome you to the 2018 BSRA Head of the River. Today is a culmination of a great season of girls' athleticism and teamwork. We are looking forward to an outstanding day of competition, camaraderie and sportsmanship.

Perhaps today's racing will see achievements that form part of the great history of rowing in the BSRA competition. Perhaps crews will break their own personal bests. What is certain is that the great dedication of parents, coaches and teachers will continue its proud tradition of supporting our rowers to do their best.

Each time we row, we understand the hours of preparation that have gone into the training and support of our students. We know that our students are aiming to do their best and to build on their previous performance. We know they are looking to go one better each time and we applaud this commitment to improvement.

Thank you to the many supporters who make these events possible for our girls. Your efforts ensure that these rowers experience the magic of this sport.

I would like to congratulate all rowers on the season and send best wishes from the Brisbane State High School community to all schools competing today.

Have a great day!

Mr Wade Haynes
Executive Principal
Brisbane State High School

WELCOME

It is with great pleasure that Brisbane State High School welcomes you to the 2018 Head of the River.

In the short time I have been involved in the BSRA competition, I have seen significant changes made to support participation and enjoyment. It is wonderful to see so many girls from all year levels enjoying our sport. The comradery and commitment the girls demonstrate both on and off the water is a credit to all involved and makes the BSRA a fantastic organisation to be a part of.

When I look back on my own experience as a school rower, I remember the friendships I made, the skills I was taught, and the culture of my rowing program. I challenge each and every girl here today, especially the Year 12 students, to take a moment to reflect on your own school rowing careers and appreciate the sport in its entirety, not just the results at the end of day.

I would like to thank our Executive Principal Mr Wade Haynes, Director of QGSSSA Activities Ms Anita Woodward and all at Brisbane State High School for their continued support of rowing.

I would also like to thank our Rowing Subcommittee for their extraordinary commitment to organising this special regatta. They have worked tirelessly this season to raise much-needed funds for our rowing program. I encourage you to please support the BSHS catering tents.

Good luck to all!

Miss Lucy Jordan
Master in Charge — Girls Rowing

Welcome competitors and supporters to the 2018 Head of the River!

I am proud to be the Rowing Captain representing Brisbane State High School. Initially, I'd like to say a massive thank you to the people who have supported me these past five years. Without your help and assistance behind the scenes I would not be able to represent my school as the rower I am today. State High Rowing has been important to me and has provided many invaluable experiences and life lessons. I believe that I have found a new level of dedication and motivation that I could not have appreciated anywhere else. This day may mark the end of my school rowing but it will not be the last time I use the skills I have acquired.

Best wishes to all competing schools, captains and crews. I look forward to a successful day of rowing.
