Principal
Welcome

The BSRA & LHC welcomes you to the 36th Head of the River.

We are looking forward to a wonderful day of competition, camaraderie and challenge.

Congratulations to all students from our BSRA schools for their dedication and resilience throughout 2025, and the contributions made in the lead up to this significant day.

Today's racing will see achievements that form part of the great history of rowing in the BSRA competition, and we hope to see crews achieve their own personal bests.

I would like to extend my gratitude and thanks to the LHC Rowing Supporters Group who are hosting the event on behalf of Lourdes Hill College today. These regattas simply do not exist without our parents and supporters, and we at LHC are blessed by the commitment and spirit of our community working in partnership to ensure the best possible opportunities are available to our students.

I would also like to wholeheartedly acknowledge and commend all rowing staff, directors, coordinators, coaches, boat people and more, for your enthusiasm, hard work and dedication that enables all of us to come together in sharing our passion for rowing.

Thank you to our Executive Officer, fellow BSRA Board Members, Rowing Queensland Officials, and all the BSRA Rowing programs' Parent Support Groups for your assistance this year.

Best wishes to all crews competing today and to our wonderful community of supporters. We hope you have a great day!

Mrs Kay Gleeson

Principal
Lourdes Hill College

BSRA

The BSRA welcomes you to the annual Head of the River.

Go to the [BSRA website](#) for calendar, race schedules, pre-pay parking information, program, race draw, race results, competitor info and spectator info as well as maps and directions.

- Venue Information can be found [here](#).
- Live results are also accessed through the BSRA website or Rowing Queensland

Live stream of the regatta is on the BSRA website for the Head of the River and also on a screen display on the day. We hope you enjoy the racing and the presentations of our star rowers.

Please be advised that parking and traffic management generally, is a tricky logistic at Wyaralong. The BSRA member schools all arrange **supporter buses** for the Head of the River, thank you to those supporting this option.

If you intend to drive this weekend, **book your parking pass on the website** early and leave plenty of time. Try and fill your vehicle with passengers. Don't forget to bring a camp chair and enjoy sharing the day with your community and witnessing the wonderful spectacle and energy the rowers provide.

No traffic on the Ring Road except service providers and host school catering. This ensures the shuttle buses can enter and exit to service the various car parks. Your cooperation here is appreciated.

The spectator shuttle service is run by the BSRA and operates as soon as the relevant car park is opened. You can get a shuttle to/from your car park to/from the Ring Road consistently at peak times and every 15 minutes in the down times. The shuttle runs for 30 minutes after the last race (approx. 1:30pm). The buses used for the spectator shuttle are also the transport home for the competitors. We cannot hold them up.

Drop off and pick up is not permitted next to the Competitor Headland. Drop off must be complete near car park 3.

Spectator, prepay and disabled parking.

- Spectator access to the venue is from 6:30am
- Prepay parking is mandatory and available on [www.bsra.org.au](#).
- Please note: any athletes arriving in parent vehicles drop off in carpark 3.
- The shuttle bus operates for car park 5, 6 & 7.
- You can get a shuttle to/from your car park to/from the Ring Road consistently at peak times and every 15 minutes in the down times.
- The shuttle requires significant space on the ring road. Please be mindful and do not park here unless you have the relevant pass/permissions.
- The shuttle operation ceases 45 minutes after the last race. Please do not miss your shuttle.
- The buses used for the spectator shuttle are also the transport home for the competitors and spectators. We cannot hold them up.
- The venue is closed for entry from midday until 1 hour after the last race so that cars can flow freely.
- Disabled access and parking must be arranged with matt@bsra.org.au.
- Disabled vehicles can not pick up on the ring road until 45 minutes after the last race.
- The ring road will only open to other traffic (support trailers, disabled etc) 45 minutes after the last race when the shuttle has ceased operation.

PLEASE NOTE - the Ring Road is restricted to service providers and host school catering only. This is essential to allow shuttle buses to move in and out efficiently to service the car parks. Thank you for your cooperation.

The BSRA has been the proud nursery for many Australian representative rowers. What you are witnessing today are the potential athletes for the future Games.

Currently the amenity is rudimentary and there are issues in racing that need to be overcome to ensure transparent and fair racing in our competition. The body of water is fantastic for rowers but the unheld starts, the irregular buoy line, the internet, the bushland that inhibits viewing, the SEQ water restrictions, the over-concentration of cars

and people on one access road, is all needing improvement.

This regatta is a highlight for the nine member schools but is in fact an incredible event that could also feature on the tourist calendar for the Scenic Rim. The BSRA hopes that the future development for the Games, will have the vision to promote the participation beyond the eyeballs of the nine member schools. This will ensure the growth, relevance and prosperity of our sport.
