WELCOME FROM BSRA

On behalf of the Brisbane Schoolgirls Rowing Association, it is my great pleasure to welcome our rowers, coaches, officials, volunteers, families and supporters to the 37th Head of the River.

We are delighted to gather for this significant celebration of competition, camaraderie and challenge, and I acknowledge St Hilda's as our host school for this year's event.

Congratulations to all students from our BSRA schools for the dedication, resilience and perseverance they have shown throughout the 2026 season. The work required to reach Head of the River is significant: early mornings, disciplined training, careful preparation, and the courage to keep striving alongside others.

Rowing asks much of every athlete. It requires not only physical strength, but also discipline, resilience, precision and trust: trust in the crew, confidence in preparation, and commitment to a shared goal. These qualities are formed through every early morning, every training session and every race, and they shape young women well beyond the river: building courage, teamwork, humility, leadership and the confidence to contribute with purpose in sport and in life.

The BSRA has a proud and enduring place in advancing opportunities for women in sport. Through its programs and events, BSRA creates space for young women to test themselves, support one another, pursue excellence, and experience the strength that comes from belonging to a community built on commitment, respect and shared endeavour.

I extend my sincere thanks to the coaches, staff, directors, coordinators, boat people, officials, volunteers and families whose enthusiasm, expertise and generosity make days such as today possible.

Your countless hours of service ensure our students are able to access exceptional opportunities through school rowing, and your commitment strengthens not only today's event but the wider BSRA community.

Thank you also to the BSRA Executive Officer, Rowing Queensland officials, St Hilda's, and all BSRA rowing programs and Parent Support Groups for the collaboration and care that have brought the 2026 rowing season.

Best wishes to every crew competing today. May the 37th Head of the River be marked by spirited competition, personal bests, lasting friendships and pride in all that has been achieved through hard work, dedication and the shared pursuit of excellence.

With kindness, peace and hope.

Kay Gleeson

MESSAGE FROM THE PRINCIPAL

ST HILDA'S SCHOOL
GOLD COAST

The Head of the River is always a defining moment in our rowing year, and on behalf of the BSRA and St Hilda's School, it is my great pleasure to welcome you to the 2026 Brisbane Schoolgirls Rowing Association Head of the River. We are looking forward to a wonderful day of spirited competition, camaraderie and challenge as we compete in the 37th Annual Head of the River.

As the host school, we are delighted to welcome athletes, coaches, officials, volunteers, families and supporters to Wyaralong Dam for what promises to be an outstanding celebration of schoolgirl rowing. The Head of the River represents the culmination of months of dedication, discipline and teamwork throughout the BSRA season, bringing together nine schools in a tradition that showcases not only excellence in competition, but also the enduring values of respect, resilience and sportsmanship.

Rowing is a sport unlike any other. It demands commitment before sunrise, perseverance through every training session, and an unwavering belief in the collective strength of the crew. While today's races will undoubtedly produce memorable performances and championship victories, the true achievement lies in the character developed through the journey. Every student who takes to the water has demonstrated courage, determination and a willingness to strive for excellence, qualities that will serve them well far beyond the finish line.

I would like to express my sincere gratitude to the St Hilda's Rowing Supporters Group for hosting today's event on behalf of our school. These regattas simply do not happen without the generosity, organisation and tireless spirit of our parents and supporters. At St Hilda's, we are deeply fortunate to have a community that works in partnership to ensure our students have every opportunity to thrive.

I also warmly acknowledge all rowing staff, directors, coordinators, coaches, race officials, volunteers, and the many parents whose commitment behind the scenes enables our athletes to compete at the highest level. Thank you for the countless hours you invest in creating such an exceptional experience for our students. Your expertise, enthusiasm and unwavering dedication allow our students to discover what they are capable of, not only as athletes, but as young women learning to lead with discipline and purpose.

Thank you to our Executive Officer, fellow BSRA Board Members, Rowing Queensland Officials, and all Parent Support Groups across the BSRA programs for your support throughout the year.

To every competitor and crew, I encourage you to embrace the occasion. Today's racing will add new achievements to the proud history of BSRA rowing. Whether you are chasing a personal best, holding your rhythm under pressure, or finding that extra length in the last 500 metres, know that every stroke contributes to the legacy of this competition. As we often remind our own rowers: trust your training, row your race, and back your crew all the way home. Race with determination, compete with integrity, celebrate one another's achievements and take pride in all that you have accomplished to reach this day.

We hope you enjoy a fantastic day on the river.

Mrs Virginia Warner

*Principal
St Hilda's School Gold Coast*

IMPORTANT INFORMATION FROM THE BSRA

The BSRA welcomes you to the annual Head of the River.

Go to the BSRA [website](https://bsra.org.au) for calendar, race schedules, pre-pay parking information, program, race draw, race results, competitor info and spectator info as well as maps and directions.

- » Venue Information can be found [here](https://bsra.org.au/regatta-information/venue/).
(<https://bsra.org.au/regatta-information/venue/>)
- » Live results are also accessed through the BSRA website or Rowing Queensland.

Scan the QR Code to get the latest event information & for the livestream.

Head of the River

Live stream of the regatta is on the BSRA website for the Head of the River and also on a screen display on the day. We hope you enjoy the racing!

Please be advised that parking and traffic management generally, is a tricky logistic at Wyaralong. The BSRA member schools all arrange **supporter buses** for the Head of the River, thank you to those that supported this option.

If you intend to drive this weekend, **book your parking pass on the website** early and leave plenty of time. Try and fill your vehicle with passengers. Don't forget to bring a camp chair and ENJOY sharing the day with your community and witnessing the wonderful spectacle and energy the rowers provide.

Spectator, prepay and disabled parking

- » Spectator access to the venue is from 6:30am
- » Prepay parking is mandatory and available on www.bsra.org.au.
- » Please note: any athletes arriving in parent vehicles drop off in carpark 3.
- » Dedicated shuttle buses operate for car parks 5, 6 and 7 and the off-site parking – each car park has its own shuttle.
- » You can get a shuttle to/from your car park to/from the Ring Road every 15 minutes.
- » The shuttle requires significant space on the ring road. Please be mindful and do not park here unless you have the relevant pass/permissions.

Off-site parking

- » Off-site parking at the racecourse opens at 7:15am.
- » On entry, all vehicles must park on the left as directed.
- » Shuttle buses collect from the front gate. Please keep the front gate clear at all times – it must remain accessible for trainers throughout the morning.

No traffic on the Ring Road except service providers and host school catering. This ensures the shuttle buses can enter and exit to service the various car parks. Your cooperation here is appreciated.

The spectator shuttle service operates as soon as the relevant car park is opened. Dedicated shuttles run to and from each car park and the Ring Road every 15 minutes. The last race is at approximately 11:00am and shuttles continue through the presentations, with the last shuttle at approximately 1:00pm.

Drop off and pick up is not permitted next to the Competitor Headland. Drop off must be complete near car park 3.

- » The last race is at approximately 11:00am. Shuttles continue through the presentations, with the last shuttle at approximately 1:00pm. Please do not miss your shuttle.
- » The venue is closed for entry from 11:00am until the last shuttle has run so that cars can flow freely.
- » Disabled access and parking must be arranged with matt@bsra.org.au.
- » The ring road will only open to other traffic (support trailers, disabled etc) once the shuttle has ceased operation (approximately 1:00pm).

- » A dedicated shuttle runs between the off-site parking and the venue every 15 minutes. Allow roughly 15 minutes for the trip – with any wait for the next service, budget about half an hour and plan to arrive at least half an hour before you want to be at the venue.

Please - no traffic on the Ring Road except service providers and host school catering. This ensures the shuttle buses can enter and exit to service the various car parks. Your cooperation here is appreciated.

**ST HILDA'S
